Update given on Glen Oakes property option. So far no price tag has been set and no agreement between the Town and SPNHF set as of 10/12.

We told the committee members attending tonight of how we rated the Glen Oakes property last week. It got a rating of 69 points out of a possible 102.

The Glen Oakes site walk was postponed due to rain in September and is rescheduled to this Saturday October 16 at 9:00am. Anyone interested is welcome to come.

GinaSurrette (former co-chair) is selling her house and may be moving out of town.

Eric Feldborg (committee member) will be back to assist the committee in January-he is extremely busy lately.

Janice asked for volunteers to set up an Open Space Information exhibit on Election Day, November 2 at the Fremont Safety Complex. We will also pass out surveys for people to fill out.

Janice will contact the Moderator for permission.

We will encourage voters to fill out the survey while at the exhibit booth so they can ask questions re the Open Space proposal.

A motion recommending the above was made and seconded. Passes unanimously by the committee.

Voted not to serve cookies this year at the information booth.

We discussed whether or not we want to discuss tonight setting a bond amount to request at March 2005 Town Meeting. We will wait until November 9 when we have the tax rate.

Agreed to create a Q&A flyer to pass out at November 2 election. A motion to fund the printing of 1600 flyers was made, seconded and approved.

Voted to print up to 250 copies of the survey, will print more that day, if needed.

Theresa Walker (RPC) will try to get someone to come to Fremont and give a talk to the general public on "The Impact of Development on Wildlife and Water Quality" in January.
